JOB COACHING

Job coaching in 3 phases enables a flexible and efficient support service tailored to the specific coaching / professional training needs of each participant.

Alongside your personal coach, you tackle your personal challenges and develop long-term solutions.

In many situations it is helpful to have a trustworthy person to discuss your worries, needs and fears. It is even more helpful if this person is a qualified and energetic coach.

Your coach will assist you in solving your difficulties, no matter if they are

- family challenges
- missing qualifications
- lack of confidence in competences
- missing structure in everyday life or
- personal doubt

- **Phase 1** recording interview (compulsory) 4 units
- **Phase 2** coaching phase
variable units from 2 months (32 units) over 4 months (64 units) to 6 months (96 units)
- **Phase 3** completion and future prospects
(compulsory) 6 units

After consultation a maximum of 106 units is possible

ZIELSETZUNG OBJECTIVE

..... *It is the deeds that leave traces*

Individual job coaching ensures your return to work, through a support process that is flexibly tailored to your individual needs in the form of coaching and small-scale support.

The overarching goal is to supply the widest possible support in many life situations, so that the employment (medium term) is possible.

In consultation with the responsible contact person of the consumer, the coach and participants identify the need for dialogue and jointly develop strategies for the effective reduction of integration-relevant hurdles, as well as the development of solutions.

Job coaching provides a perspective, through a support process tailored to the individual needs in the form of coaching and small-scale support in the application for a work place
